

New Enquiries / Intake Process

Initial Enquiry from parent/carer

Be Centre will carefully consider your case and will confirm if Play Therapy is in your child's best interest ...

Intake Clinician offers a Play
Therapy timeslot for your child

Your child may be placed on a waitlist if a Play Therapist is not available at your preferred timeslot

Play Therapist contacts parent/carer to arrange an Initial Parent Consultation

+

Parent Counsellor contacts parent/carer to discuss parent support

6 Play Therapy begins

Please read: We are not able to offer Medicare rebate (Mental Health Care Plans) or private medical insurance rebates. For families of separated or divorced parents, we require signed Parent Consent from both parents before Play Therapy can begin. Unfortunately, we are unable to work with families planning on starting, or in the middle of, Family Court proceedings.
